

JOB POSTING: MECHANICAL ENGINEERING CO-OP

ITE is an engineering and design firm located in Cincinnati, Ohio. ITE is accepting resumes for Co-op Students studying Mechanical Engineering to help support our clients' product development needs, from early ideation and discovery, through engineering development and product launch.

REQUIREMENTS:

- Currently working towards BSME, BSMET or related degree.
- Experience with 3D design tools like SolidWorks, Pro/E Wildfire and/or NX software.
- The ability to work independently, maintain strong customer relationships and effectively coordinate work with other team members.
- Efficiency in a fast paced consulting environment and adaptability to changing project requirements and schedules.
- Analytical and concept design skills.
- Prior related co-op experience or experience with consumer products involving plastic molded components is helpful.
